

REMARKS

In response to the election requirement in the Office Action of March 19, 2003, Applicants hereby elect without traverse Species II, drawn to a method for manufacturing a semiconductor device comprising: an intense light, a laser light, and an intense light. Claims 7-12 and 20-26 read on the elected Species II.

Furthermore, new independent claim 27 has been added to recite additional protection to which Applicant is entitled. Claim 27 is generic to both Species I and Species II.

Examination on the merits is requested.

Respectfully submitted,
